Dear Dr. McAllister:

On behalf of the organizers of the Symposium on Bombesin-Like Peptides in Health and Disease I wish to thank you for the generous check you sent in support of the Symposium.

It is through the generosity of organizations such as yours that these important scientific gatherings are made possible. Your sponsorship will be acknowledged on the program and the book which will be published after the conference by the New York Academy of Sciences.

Please be assured that your donation will not be used to reimburse expenses by participants from the industrial sector and that we will hold open a slot at the conference so that a representative from your organization can attend. I will forward registration information to you as soon as it is available.

Sincerely,

Joyce M. Fried
